SBVM FOCUSES ON IGNITING UNIQUE TALENT AND SKILLS AMONG
THE STUDENTS AT AN EARLY STAGE
TO INSTILL IN THEM A HABIT OF WINNING
TO BRING IN ALL AROUND DEVELOPMENT AMONG THE STUDENTS.

ABOUT SCHOOL

Shree Bal Vinay Mandir, Chhatribagh is one of the oldest renowned and reputed institutions of Indore, run under aegis of Shree Cloth Brokers' Association Trust, Indore.

It's foundation was laid by late Dr. Sarvapalli Radhakrishnan, contemporary Vice President of India in 1954.

It has completed its voyage of 70 years and earned a name among the best schools of Indore.

Shree Cloth Brokers' Association trust is well known for its contribution in the field of

education, health services and social welfare. Under the able guidance of Late. Padmashree Babulaji Patodi and his devoted team members this institution came into existence fostering intellectual, physical and spiritual development of young learners and groomed them to be committed and competent individuals.

Upto the year 2000, it was a primary co-educational school and then

onwards it was gradually upgraded and became a 10+2 higher secondary school, affiliated to M.P. Board of secondary education, Bhopal. From 2013 it has been affiliated to C.B.S.E. New Delhi.

As an institution that has for the past 70 years remained steadfast in its efforts to provide quality education. Shree Bal Vinay Mandir has also been honoured to have stalwarts of various fields, visit us and share valuable lessons with our students from time to time. Indeed, the school's consistent academic standards along with the wisdom of these great achievers shared time to time, has only pushed our students to believe in their dreams and strive to achieve them. The array of past SBVM students who are respected names in their chosen fields prove that our efforts have not been futile.

Shree Bal Vinay Mandir emblem is a rose encircled with the words, Satyam, Shivam, Sundaram. These chosen words and the rose signify the essence of education that this school wishes to instill in its students.

Satyam Shivam Sundaram -Truth is Divine, Divine is Beautiful. The mystic trinity of Satyam, Shivam, Sundaram, encircles a rose. It signifies how the values and teaching of school life, can be inculcated in the real world.

FACETS OF PREMISES

From **PRINCIPAL'S** Desk...

Chief Mentor

To those who see with loving eyes, life is beautiful
To those who speak with tender voices, life is peaceful
To those who help with gentle hands, life is full
And to those who care with compassionate hearts,
life is good beyond all measure!

We sternly believe in a joyful experiential learning system wherein, each child is encouraged to participate wholeheartedly! At SBVM, we leave no stone unturned to offer multitudes of opportunities to flourish our children; it is for them to make the most of it. Children ought to be motivated to grab every opportunity that comes to their way which would not only help in their holistic growth but also to strengthen their firm belief in team work, which is important in this fast-paced world. They need to understand the importance of emotional balance, critical thinking and most importantly accepting failure graciously! It is our duty to endow them with all these qualities and many more.

We also believe in empowering our children in such a manner that they will act as representatives of a meaningful and value based society! Our pedagogy which is holistic and comprehensive, complements this. We have a team of highly learned and fabulous faculty members who display boundless energy, untiring strength and intense commitment which keeps the ethos of our school shining brightly.

We are aligned with the thoughts of Buddha:

"Each morning, we are born again

What matters the most is whether we have given our best today".

SHVETA GARG (MA, M Phil in Economics, B Ed)

Principal

INFRASTRUCTURE AT A GLANCE

LIBRARY

The school has a spacious digital library with a huge collection of various types of books and reference books for all age group of students for the benefit of both the students and teachers. In addition to this all the leading Newspapers, Journals and Periodicals are available to keep the students well informed.

RESERVOIR OF KNOWLEDGE

LABORATORY

Atomic World

Techno World

Gravity World

Mendel's World

NEW AUDITORIUM

CONGREGATION HALL

The school has separate laboratories of Physics, Chemistry, Biology, Mathematics, Science and Computer (One for Junior and One for Senior). The science laboratories are well equipped with all required apparatus and educational aids to impart practical knowledge to the students.

Computers play a significant role in present modern world and our students are exposed to computer literacy from KG II onwards. We have two latest computer laboratories, one meant for juniors and the other meant for seniors.

CO-SCHOLASTIC ACTIVITIES

For overall development of a child, co-scholastic activities play an integral part of learning. The students of each class are divided into four houses and various inter house activities are scheduled on the onset of the new session.

ICON OF LEARNING

Nursery to II

Sub Junior group

III to V

Junior group

VI to XII

Senior group

Each house in each group has five teachers and a group coordinator to guide, motivate and plan various events and select the participants for various competitions.

Play with Colours

Artistic Skills

The activities like vocal music, instrumental music, dance, Art & Craft, drawing and painting are conducted in the class. Audio visual aids are also available for better teaching as well as for entertainment.

SPORTS ACTIVITY

Sports activities are conducted regularly under the able guidance of sports teachers. Outdoor as well as indoor games are provided. Every year our students have been selected to represent Table Tennis, volley ball, soft ball, Basketball, Football, Martial Arts & Diving tournaments at state and National levels.

HEALTH IS WEALTH

TEACHERS' TRAINING

The teachers at SBVM are provided extensive training programmes to keep themselves updated with the latest teaching methodology and given an opportunity to interact with well-known educationists of National and International level under the banner of COE, CBSE, New Delhi.

Workshops and seminars are organized to enhance their knowledge and skills.

Nelson Mandela once said "A good heart and a good head are always a formidable combination but when we add to that a literate tongue and pen, then you have something very special." We at our end are becoming an awakener to mould our children so that they can change the world by this powerful weapon.

AUGMENTATION PROGRAMME

STUDENTS' COUNCIL

Every year the student's council is formed in the school. The purpose is to grab students, an opportunity to develop leadership by organizing & carrying out at school activities & service projects.

ACADEMICS: MORNING ASSEMBLY

The day at the school starts with morning assembly to concentrate all our positive energy to be successful in our endeavors throughout the day.

The prayer starts with Saraswati Vandana, followed by Bhajans, National song, Patriotic songs and National anthem.

Every day the Principal and all the staff members attend the assembly. The Principal briefs the students about the school activities, makes important announcements and delivers motivational speeches to inculcate discipline and values among the students.

All the important celebrations are highlighted by the students and the teachers to acquaint each student with the importance of the particular day's celebration.

The achievers of different fields are appreciated in the assembly in front of all the students to recognize their work and motivate the other students to try to achieve something in their field of interest. The assembly is concluded by singing National anthem.

PRE PRIMARY CLASSES

We follow Montessori technique of teaching, where the child is made to learn in a fearless, congenial environment in an informal way.

The stress is given on activity oriented teaching instead of teacher based teaching, which has been proven to develop the five senses of the youngsters.

More of activities are designed for them to grasp the concepts in a better way. They learn by doing. Due importance is given to cultural activities like Music, Dance, Skits and Action. Drawing, Clay and Paper work are given to make them relaxed. Audio-visual aids are provided to keep them entertained. Every child is treated as a unique individual.

OTHER CLASSES (I TO XII)

We follow New Education Policy 2020 and NCF 2023 where child is taught by practicals and experiential learning. Regular class tests are conducted after completion of each chapter. The students are encouraged to do various activities to understand the concepts. Students are regularly taken to the Science, Maths and computer laboratories.

Regular PTMs are held for all the students regularly. It is compulsory to attend all the tests and examinations of the academic session.

After the examination, the answer sheets and the report cards are handed over to the parents. Regular counseling is done by the teachers and the Principal. It is compulsory for the parents to attend the PTM.
